Description:

A regulated plot of 1340 sq.m. is available in the village of Drachevo, located in the Strandzha region. The property has a regular rectangular shape with slight displacement. Electricity and water are accessible at the border of the plot; however, the street is not paved. The property is situated at the edge of the village, offering a view of the surrounding hills. It is suitable for constructing a country house or villa. The village of Drachevo is 30 km from the city of Bourgas and the sea, and 9 km from the municipal center Sredets. The village is known for its fresh air and wooded hills, making it a suitable location for those seeking a quiet environment away from urban noise and traffic.
